

LIFE HAPPENS OUTSIDE THE OFFICE

HEIMAN HABITAT SPECIALISES IN HANDS-ON PROFESSIONAL DEVELOPMENT WITH REAL LIFE BENEFITS

Environmental consultant and outdoorsman Scott Heiman, of Heiman Habitat Pty Ltd, offers your organisation highly interactive programs focussed around practical survival craft, field craft and bush craft skills.

- Start a fire without matches
- Build a shelter without nails
- Procure water without a tap
- Signal for rescue without a phone
- Navigate with or without a compass ...

Thinking outside the box is what we do.

Whether you're preparing your team members to operate away from base, or are seeking to challenge them through real life experience, your people will be involved in a highly interactive program of activities.

GET OUT OF THE OFFICE - GET INVOLVED - GET MOTIVATED - GET PRODUCTIVE GET BACK TO BASICS.

We can customise short or long programs, and we cater to introductory, refresher and advanced needs. We can also enhance your experience with 4WDriver training provided by Vic Widman, 4WD specialist and author, of Great Divide Tours. Create your own adventure with 1, 2 or 3 day packages.

We operate from Great Divide Tour's 4WD training centre located 15km outside Braidwood, southern NSW.
